Dunedin Parks & Recreation

ADOPT-A-CAMPER

Yes! I want to adopt a camper for the summer!

To allow children the opportunities and benefits of Dunedin Recreation Summer Camp, I pledge:

- $210.00 which gives a child two weeks of summer camp
- $1050.00 which can sponsor a child to attend our entire program

All monies collected will be used exclusively for camp scholarships. Over 700 children participate in our summer camp program each year. Now, with your help, we'd like to extend our services to those in need. Your gift can allow children an opportunity to experience camp. Your contribution will provide quality recreation in a safe environment. Contributions are tax deductible.
