

## PURPLE HEART MONUMENT DONOR SHEET

The City of Dunedin was designated the nation's first Purple Heart City by the Military Order of the Purple Heart in 2006. We are inviting YOU to share the honor and pride we feel by helping to erect a public monument to honor all Purple Heart recipients.

You can take advantage of the opportunity to honor/remember a Purple Heart recipient by donating a commemorative brick. Each brick will be engraved to commemorate an individual stipulated by the donor, and will become part of the Walk of Honor at the City of Dunedin's Purple Heart Monument, to be dedicated on the National Day of Recognition, August 7, 2008.
