

## **Public Works & Utilities Wins Back-to-Back Awards!**

The Florida Department of Environmental Protection's (DEP) Division of Water Resource Management has announced that the City of Dunedin's Wastewater Division has been selected to receive a 2009 Domestic Wastewater Plant Operations Excellence Award. The award will be presented to the City on December 8<sup>th</sup> in Tallahassee.

The annual award recognizes facilities that demonstrate excellence in operation, maintenance, innovative treatment, conservation, reuse, waste reduction and pollution prevention which protects public health and the environment. Criteria for selecting winners include compliance history, record keeping and reporting, customer relations, operation and maintenance, and employee training.

The Wastewater Division receives this honor on the heels of the Water Division's acceptance of a similar award in 2008.
