

Dear Reader and Recycler,

Reading and Recycling are fun and important habits to develop. The City of Dunedin Solid Waste Division and Dunedin Public Library are excited to encourage both reading and recycling through the Read for Recycling Program. This program is part of the City's participation in the National America Recycles Day (ARD) Celebration. ARD is the only nationally-recognized day dedicated to promoting and celebrating recycling in the U.S. Annually, ARD is held on November 15th. Visit www.americarecyclesday.org for complete ARD information. Dunedin will celebrate this important event during the week of November 7-11th, 2016, school aged children of Dunedin are encouraged to read books that celebrate, educate, and encourage waste reduction activities. Follow these easy steps to participate:

1. Read a minimum of five waste reduction/recycling books, record them, and journal what you learned about waste reduction/recycling from the book in your Reading Journal
2. Once your Reading Journal is complete, drop them off at the following City of Dunedin facilities or email them to the City's Sustainability Program Coordinator at CPerez@DunedinFL.Net.

Dunedin Public Library 223 Douglas Ave	Community Center 1920 Pinehurst Rd	Utility Billing 750 Milwaukee Ave	Solid Waste 1070 Virginia St
---	---------------------------------------	--------------------------------------	---------------------------------

3. The Reading Journal is due by Friday, November 18, 2016.

4. **AWARD:** Six participating school aged students will be randomly drawn to win one of six (6) \$30 gift cards to Barnes & Noble. In addition, the winner will be formally recognized at a regularly scheduled commission meeting!

Award for Teachers:

The Dunedin school teacher with the most student participation will receive a class set of waste reduction/recycling books for his/her classroom, as well as recognition at a commission meeting. For complete details, visit the City of Dunedin website at www.DunedinGov.com

Please complete all the information below. Print and write legibly.

Student Name:

Home Address

School:

Grade:

Teachers Name:

Parent/Guardian Name:

Parent/Guardian Signature:

Parent/Guardian Phone Number:

In the spaces provided below, write the title and author of each book you have read.
Then write at least one recycling/composting fun fact for each!

	Title/Author	Fun Fact
1		
2		
3		
4		
5		

Read more than five (5) books? Attach another sheet of paper with book information and fun facts!

It's All About Recycling

Title	Author	Location
Berenstain Bears Don't Pollute	Berenstain	Easy Ber
