New! Outdoor “Fit Zone” at Weaver Park

Dunedin Parks & Recreation has just installed a new “Fit Zone” at Weaver Park. This fun and exciting outdoor exercise equipment is free, simple to use for all ages and abilities, encourages people to work out together, and is available nearly any time of the day. Thanks to the generous donation from the Kiwanis Club of Dunedin and the Florida Department of Health - Pinellas County, we can all experience a fun and unique way to exercise and get outdoors.

When it comes to exercise, there is nothing better than taking it outside. Heading outdoors for fitness not only provides you with the benefits that come from fitness in the first place but it also offers you the fun factor that comes from a change in scenery and more variety in terms of

activities. Emerging science suggests that exercising outdoors increases the overall enjoyment of working out, as well as increasing the frequency and length of time spent exercising. Incorporating outdoor fitness into your life is also easy because, it’s free! You may not have the time or money to go to a gym, but you can take a walk on your lunch hour or opt to turn walking your dog into a better workout by heading out to the trail.

The outdoor “Fit Zone” provides a complete body workout with eleven units that target the biceps, triceps, shoulders, chest, back and core. Some units can accommodate multiple users, maximizing the fitness zone’s benefits for the community and creating a strong social element. Each unit works on a

hydraulic system so people of all fitness levels can use it. Some exercise units are specifically designed for use with wheelchairs, as well as equipment that can be adapted for both able-bodied users or those with assistive devices.

“Fit Zone” Units:

- Ab Toner
- Squat
- Chest Press
- Stepper
- Leg Extension & Curl
- Cross-Country Ski
- 2-Person Vertical Press ♿
- 2-Person Lat Pull ♿
- 3-Person Static Combo
- Single Elliptical
- Wheelchair Level Hand Cycle ♿

Located at:

The “Fit Zone” is located on the east side of Weaver Park (1258 Bayshore Blvd), near the picnic shelters and along the Pinellas Trail.

For more information, call (727) 812-4530 or see pages 8-11 for fitness classes, programs, and the Fitness Center located at the Dunedin Community Center, 1920 Pinehurst Road.

Take the Fitness Zone survey to give your thoughts about exercise opportunities in public spaces and how often you use them: <https://www.surveymonkey.com/r/pinellasfitnesszones>.
