City of Dunedin Defined Contribution Plan

SUMMARY PLAN DESCRIPTION

ARTICLE 1 INTRODUCTION

The City of Dunedin has adopted the City of Dunedin Defined Contribution Plan (the “Plan”) to help its employees save for retirement. If you are an employee of the City of Dunedin, you may be entitled to participate in the Plan, provided you satisfy the conditions for participation as described in this Summary Plan Description.

This Summary Plan Description (“SPD”) is designed to help you understand the retirement benefits provided under the Plan and your rights and obligations with respect to the Plan. This SPD contains a summary of the major features of the Plan, including the conditions you must satisfy to participate under the Plan, the amount of benefits you are entitled to as a Plan participant, when you may receive distributions from the Plan, and other valuable information you should know to understand your Plan benefits. We encourage you to read this SPD and contact the Plan Administrator if you have any questions regarding your rights and obligations under the Plan. (See Article 2 below for the name and address of the Plan Administrator.)

This SPD does not replace the formal Plan document, which contains all of the legal and technical requirements applicable to the Plan. However, this SPD does attempt to explain the Plan language in a non-technical manner that will help you understand your retirement benefits. If the non-technical language under this SPD and the technical, legal language under the Plan document conflict, the Plan document always governs. If you have any questions regarding the provisions contained in this SPD or if you wish to receive a copy of the legal Plan document, please contact the Plan Administrator.

The Plan document may be amended or modified due to changes in law, to comply with pronouncements by the Internal Revenue Service (IRS) or Department of Labor (DOL), or due to other circumstances. If the Plan is amended or modified in a way that changes the provisions under this SPD, you will be notified of such changes.

This SPD does not create any contractual rights to employment nor does it guarantee the right to receive benefits under the Plan. Benefits are payable under the Plan only to individuals who have satisfied all of the conditions under the Plan document for receiving benefits.

ARTICLE 2 GENERAL PLAN INFORMATION AND KEY DEFINITIONS

This Article 2 contains information regarding the day-to-day administration of the Plan as well as the definition of key terms used throughout this Summary Plan Description.

Plan Name: City of Dunedin Defined Contribution Plan

Name: City of Dunedin

Address: 750 Milwaukee Avenue
Dunedin, Florida 34698

Telephone number: (727) 298-3040

Employer Identification Number (EIN): 59-6000310

Plan Administrator:

The Plan Administrator is responsible for the day-to-day administration and operation of the Plan. For example, the Plan Administrator maintains the Plan records, provides you with forms necessary to request a distribution from the Plan, and directs the payment of your vested benefits when required under the Plan. The Plan Administrator may designate another person or persons to perform the duties of the Plan Administrator. The Plan Administrator or its delegate, as the case may be, has full discretionary authority to interpret the Plan, including the authority to resolve ambiguities in the Plan document and to interpret the Plan's terms, including who is eligible to participate under the Plan and the benefit rights of participants and beneficiaries. All interpretations, constructions and determinations of the Plan Administrator or its delegate shall be final and binding on all persons, unless found by a court of competent jurisdiction to be arbitrary and capricious. The Plan Administrator also will allow you to review the formal Plan document and other materials related to the Plan.

The Employer listed above is acting as Plan Administrator. The Plan Administrator may designate other persons to carry on the day-to-day operations of the Plan. If you have any questions about the Plan or your benefits under the Plan, you should contact the Plan Administrator or other Plan representative.

Trustee:

All amounts contributed to the Plan are held by the Plan Trustee in a qualified Trust. The Trustee is responsible for the safekeeping of the trust funds and must fulfill all Trustee duties in a prudent manner and in the best interest of you and your beneficiaries. The trust established on behalf of the Plan will be the funding medium used for the accumulation of assets from which Plan benefits will be distributed.

The following is the name and address of the Plan Trustee:

Wells Fargo Bank, N.A.
1740 Broadway
MAC # C7300-105
Denver, CO 80274

Service of Legal Process:

Service of legal process may be made upon the Employer. In addition, service of legal process may be made upon the Plan Trustee or Plan Administrator.

Effective Date of Plan:

This Plan is a restatement of an existing Plan to comply with current law. This Plan was originally effective January 1, 1996. However, unless designated otherwise, the provisions of the Plan as set forth in this Summary Plan Description are effective as of October 1, 2015.

Plan Year:

Many of the provisions of the Plan are applied on the basis of the Plan Year. For this purpose the Plan Year is the 12-month period ending September 30th .

Plan Compensation:

In applying the contribution formulas under the Plan (as described in Section 4 below), your contributions may be determined based on Plan Compensation earned during the Plan Year. However, in determining Plan Compensation, no amount will be taken into account to the extent such compensation exceeds the compensation dollar limit set forth under IRS rules. For 2016, the compensation dollar limit is \$265,000. Thus, for plan years beginning in 2016, no contribution may be made under the Plan with respect to Plan Compensation above \$265,000. For subsequent plan years, the contribution dollar limit may be adjusted for cost-of-living increases.

For purposes of determining Plan Compensation, your total taxable wages or salary is taken into account including any pre-tax salary reduction contributions you may make under any other plans we may maintain, which may include any pre-tax contributions you make under a medical reimbursement plan or "cafeteria" plan. However, for purposes of determining contributions under the Plan, Plan Compensation does not include the following types of compensation:

- All fringe benefits (cash and noncash), reimbursements or other expense allowances, moving expenses, deferred compensation and welfare benefits.
- Bonuses.
- The exclusions identified under Section 121.021(22) of the Florida Statutes for purposes of the Florida Retirement System.

Normal Retirement Age:

You will reach Normal Retirement Age under the Plan once you satisfy one of the following requirements:

- have attained age 62 and have completed 6 Years of Service; or
- have completed 30 Years of Service.

Early Retirement Age:

You will reach the Early Retirement Age under the Plan when you have attained age 50 and have completed 10 Years of Service.

See Article 7 for an explanation of how a Year of Service is determined.

ARTICLE 3 DESCRIPTION OF PLAN

Type of Plan. This Plan is a special type of retirement plan commonly referred to as a money purchase plan. A money purchase plan allows you to receive Employer Contributions, which we make on your behalf to the Plan, without having to include such amounts in income. If you have satisfied all of the eligibility conditions described in Article 5 for receiving an Employer Contribution, we will deposit such contribution directly into the Plan on your behalf. Because this money is not reported as income, you do not have to pay any income tax while the money is held in the Plan, and any earnings on such contributions are not taxed while they stay in the Plan. (See Article 4 below for a description of the Employer Contributions authorized under the Plan.)

Rollover Contributions. The Plan does not accept rollover contributions from another qualified plan or IRA.

ARTICLE 4 PLAN CONTRIBUTIONS

The Plan provides for the contributions listed below. Article 5 discusses the requirements you must satisfy to receive the contributions described in this Article 4. Article 7 describes the vesting rules applicable to your plan benefits. Special rules also may apply if you leave employment to enter qualified military service. See your Plan Administrator if you have questions regarding the rules that apply if you are on military leave.

We are authorized under the Plan to make Employer Contributions on behalf of our employees. In order to receive an Employer Contribution, you must satisfy all of the eligibility requirements described in Article 5 below for Employer Contributions. If you do not satisfy all of the conditions for receiving an Employer Contribution, you will not share in an allocation of such Employer Contributions for the period for which you do not satisfy the eligibility requirements.

Employer Contribution Formula. Employer Contributions will be contributed to your Employer Contribution account under the Plan at such time as we deem appropriate. Generally, Employer Contributions may be contributed during the Plan Year or after the Plan Year ends.

- We will make an Employer Contribution to eligible participants identified in the employee groups described in (1) below. The amount we will contribute will be based on the contribution formula set forth in (2) below.

(1) **Designated Employee groups.**

- **Group 1:** All Employees hired on and after January 1, 2010
- **Group 2:** All Employees hired before January 1, 2010

(2) **Employer Contribution formulas.** The following Employer Contributions will be provided to the Employee groups listed in (1) above.

- **Group 1:** An Employer Contribution equal to 8% of compensation.
- **Group 2:** An Employer Contribution equal to 10% of compensation.

Any Employer Contribution we make on your behalf under the Plan will be placed directly into an account on your behalf. We retain the right to amend the Plan to reduce or eliminate this contribution. If we amend the Plan to reduce or eliminate this fixed contribution, you will be notified of such change. (See Article 11 below for more information regarding Plan amendments.)

ARTICLE 5 ELIGIBILITY REQUIREMENTS

This Article sets forth the requirements you must satisfy to participate under the Plan. To qualify as a participant under the Plan, you must:

- be an Eligible Employee
- satisfy the Plan's minimum age and service conditions and
- satisfy any allocation conditions required under the Plan.

Eligible Employee

To participate under the Plan, you must be an Eligible Employee. For this purpose, you are considered an Eligible Employee if you are an employee of City of Dunedin, provided you are not otherwise excluded from the Plan.

Excluded Employees. For purposes of determining whether you are an Eligible Employee, the Plan excludes from participation certain designated employees. If you fall under any of the excluded employee categories, you will not be eligible to participate under the Plan (until such time as you no longer fall into an excluded employee category). [See below for a discussion of your rights upon changing to or from an excluded employee classification.]

The following categories of employees are not eligible to participate in the Plan:

- Leased employees.
- Seasonal employees (as defined by the Employer).
- Temporary employees (as defined by the Employer).
- Individuals hired by the Employer as a certified firefighter.

Minimum Age and Service Requirements

There is no minimum age and service requirements for participation in the Plan. Thus, you will be eligible to participate in the Plan (provided you are an Eligible Employee) on your date of hire.

If you are not an Eligible Employee, but you subsequently change status to an eligible Employee, you will be eligible to enter the Plan immediately. If you are an Eligible Employee and subsequently become ineligible to participate in the Plan, all contributions under the Plan will cease as of the date you become ineligible to participate. However, all service earned while you are employed, including service earned while you are ineligible, will be counted when calculating your vested percentage in your account balance.

Allocation Conditions

If you are an Eligible Employee you do not need to satisfy any additional allocation conditions to receive an Employer Contribution. You will receive your share of the Employer Contributions regardless of how many hours you work during the year or whether you terminate during the year.

ARTICLE 6 LIMIT ON CONTRIBUTIONS

The IRS imposes a maximum limit on the total amount of contributions you may receive under this Plan. This limit applies to all contributions we make on your behalf, all contributions you contribute to the Plan, and any forfeitures allocated to any of your accounts during the year. Under this limit, the total of all contributions under the Plan cannot exceed a specific dollar amount or 100% of your annual compensation, whichever is less. For 2016, the specific dollar limit is \$53,000. (For years after 2016, this amount may be increased for inflation.) For purposes of applying the 100% of compensation limit, your annual compensation includes all taxable compensation, increased for any pre-tax contributions you may make to any other plan we may maintain, such as a cafeteria health plan.

Example: Suppose in 2016 you earn compensation of \$55,000. The maximum amount of contributions you may receive under the Plan for 2016 is \$53,000 (the lesser of \$53,000 or 100% of \$55,000).

ARTICLE 7 DETERMINATION OF VESTED BENEFIT

Vested account balance. When you take a distribution of your benefits under the Plan, you are only entitled to withdraw your *vested* account balance. For this purpose, your *vested* account balance is the amount held under the Plan on your behalf for which you have earned an ownership interest. You earn an ownership interest in your Plan benefits if you have earned enough service with us to become *vested* based on the Plan's vesting schedule. If you terminate employment before you become fully vested in any of your Plan benefits, those non-vested amounts may be forfeited. (See below for a discussion of the forfeiture rules that apply if you terminate with a non-vested benefit under the Plan.)

The following describes the vesting schedule applicable to contributions under the Plan.

- **Employer Contributions.** You become *vested* in your Employer Contributions account in accordance with the "vesting schedule" set forth in the Plan. Under this vesting schedule, you will have an ownership interest in your Employer Contributions based on the number of Years of Vesting Service you complete. Based on the number of years you work for us, your vested percentage is as follows:

Years of Vesting Service	Vested percentage
Less than 6 years	0%
6 or more	100%

Protection of vested benefit. Once you are vested in your benefits under the Plan, you have an ownership right to those amounts. While you may not be able to immediately withdraw your vested benefits from the Plan due to the distribution restrictions described under Article 8 below, you generally will never lose your

right to those vested amounts. However, it is possible that your benefits under the Plan will decrease as a result of investment losses. If your benefits decrease because of investment losses, you will only be entitled to the vested amount in your account at the time of distribution.

Exception to vesting schedule. The above vesting schedule no longer applies once you reach Normal Retirement Age under the Plan. Thus, if you are still employed with us at Normal Retirement Age, you will automatically become 100% vested in all contributions under the Plan. You also will be fully vested in your entire account balance (regardless of the Plan's vesting schedule) if the plan is terminated. In addition, if you:

- die
- become disabled
- attain Early Retirement Age under the Plan

while you are employed with us, you will automatically become 100% vested.

Years of Vesting Service. To calculate your vested benefit under the Plan, your Years of Vesting Service are used to determine where you are on the vesting schedule. You will be credited with a Year of Vesting Service for each full year of service you work for us. You also may be entitled to service earned during a period of severance if you are subsequently reemployed. If you have questions regarding your position on the vesting schedule, please contact the Plan Administrator.

In calculating your Years of Vesting Service, all of your service with us is taken into account, including service you may have earned before the Plan was adopted.

Forfeiture of nonvested benefits. If you terminate employment before you become fully vested in your Plan benefits, you will not be entitled to receive any of the Employer contributions allocated to your account. Your non-vested benefits will be *forfeited* as described below.

Forfeiture upon distribution. If you take a distribution of your entire vested benefit when you terminate employment, if you are totally non-vested in any contributions we made on your behalf, you will be deemed to receive a distribution for purposes of applying these forfeiture rules.

Treatment of forfeited benefits. If any of your benefits are forfeited, those forfeited amounts may first be used to pay any Plan expenses. If any forfeitures remain after paying Plan expenses, such forfeited amounts will be used to offset the Employer Contributions under the Plan for the Plan Year in which the forfeiture occurs.

ARTICLE 8 PLAN DISTRIBUTIONS

The Plan contains detailed rules regarding when you can receive a distribution of your benefits from the Plan. As discussed in Article 7 above, if you qualify for a Plan distribution, you will only receive your vested benefits. This Article 8 describes when you may request a distribution and the tax effects of such a distribution. Prior to receiving a distribution from the Plan, you will receive a distribution package that will describe the distribution options that are available to you. If you have any questions regarding your distribution options under the Plan, please contact the Plan Administrator.

Distribution upon termination of employment. When you terminate employment, you may be entitled to a distribution from the Plan. The availability of a distribution will depend on the amount of your vested account balance.

- **Vested account balance in excess of \$5,000.** If your total vested account balance exceeds \$5,000 as of the distribution date, you may receive a distribution from the Plan as soon as administratively feasible following your termination of employment. If you do not consent to a distribution of your vested account balance, your balance will remain in the Plan.

You may elect to take a distribution of your entire vested account balance in a lump sum. In addition, if permitted by the Plan Administrator, you may take a partial distribution of a portion of your vested account upon termination of employment. If you take a lump sum distribution, you may elect to rollover all (or any portion) of your distribution to an IRA or to another qualified plan. See the *Special Tax Notice*, which you may obtain from the Plan Administrator, for more information regarding your ability to rollover your plan distribution.

- **Vested account balance of \$5,000 or less.** If your total vested account balance under the Plan is \$5,000 or less as of the distribution date, you will be eligible to receive a distribution of your entire vested account balance in a lump sum as soon as administratively feasible following your termination of employment. You may elect to receive your distribution in cash or you may elect to rollover your distribution to an IRA or to another qualified plan.

If your total vested benefit under the Plan is between \$1,000 and \$5,000 as of the distribution date and you do not consent to a distribution of your vested account balance, your vested benefit automatically will be rolled over to an IRA selected by the Plan Administrator. If your total vested benefit exceeds \$5,000, no distribution will be made from the Plan without your consent. If your total vested benefit is \$1,000 or less as of the distribution date, your entire vested benefit will be distributed to you in a lump sum, even if you do not consent to a distribution.

If your benefit is automatically rolled over to an IRA selected by the Plan Administrator, such amounts will be invested in a manner designed to preserve principal and provide a reasonable rate of return. Common types of investment vehicles that may be used include money market accounts, certificates of deposit or stable value funds. Reasonable expenses may be charged against the IRA account for expenses associated with the establishment and maintenance of the IRA. Any such expenses will be no greater than similar fees charged for other IRAs maintained by the IRA provider. For further information regarding the automatic rollover requirements, including further information regarding the IRA provider and the applicable fees and expenses associated with the automatic rollover IRA, please contact the Plan Administrator or other designated Plan representative.

In-service distributions. You may not withdraw amounts attributable to your Employer Contributions while you are still employed.

Required distributions. If you have not begun taking distributions before you attain your Required Beginning Date, the Plan generally must commence distributions to you as of such date. For this purpose, your Required Beginning Date is April 1 following the end of the calendar year in which you attain age 70½ or terminate employment, whichever is later.

Once you attain your Required Beginning Date, the Plan Administrator will commence distributions to you as required under the Plan. The Plan Administrator will inform you of the amount you are required to receive once you attain your Required Beginning Date.

Distribution upon disability. If you should terminate employment because you are totally and permanently disabled, you will be eligible to receive a distribution of your vested account balance under the Plan's normal distribution rules. You will be considered totally and permanently disabled if you are unable to perform your "duties" as defined in (A) through (C) below, and will be deemed to have occurred only when certified by a physician who is acceptable to the Plan Administrator and only if such proof is received by the Plan Administrator within sixty (60) days after the date of your termination of employment. The termination of employment must be a result of the occurrence of such disability. As used in this section "duties" shall mean:

- (A) usual duties with your Employer;
- (B) usual duties of another position with the Employer; or
- (C) usual full-time duties with another employer.

A disability shall be in the line of duty if the accident report states and a supervisor certifies that the job-related illness or accident occurred while you were in an Employee/Employer relationship with the Employer,

in a manner acceptable to the Plan Administrator. The Plan Administrator may establish reasonable procedures for determining whether you are disabled.

Distributions upon death. If you should die before taking a distribution of your entire vested account balance, your remaining benefit will be distributed to your beneficiary or beneficiaries, as designated on the appropriate designated beneficiary election form. You may request a designated beneficiary election form from the Plan Administrator.

If you are married, your spouse generally is treated as your beneficiary, unless you properly designate an alternative beneficiary to receive your benefits under the Plan. The Plan Administrator will provide you with information concerning the availability of death benefits under the Plan and your rights (and your spouse's rights) to designate an alternative beneficiary for such death benefits. For purposes of determining your beneficiary to receive death distributions under the Plan, any designation of your spouse as beneficiary is automatically revoked upon a formal divorce decree unless you re-execute a new beneficiary designation form.

Default beneficiaries. If you do not designate a beneficiary to receive your benefits upon death, your benefits will be distributed to your estate.

Taxation of distributions. Generally, you must include any Plan distribution in your taxable income in the year you receive the distribution. More detailed information on tax treatment of Plan distributions is contained in the "Special Tax Notice" which you may obtain from the Plan Administrator.

Distributions before age 59½. If you receive a distribution before age 59½, you generally will be subject to a 10% penalty tax in addition to regular income taxation on the amount of the distribution that is subject to taxation. You may avoid the 10% penalty tax by rolling your distribution into another plan or IRA. Certain exceptions to the penalty tax may apply. For more information, please review the "Special Tax Notice," which may be obtained from the Plan Administrator.

Rollovers and withholding. You may "roll over" most Plan distributions to an IRA or another qualified plan and avoid current taxation. You may accomplish a rollover either directly or indirectly. In a direct rollover, you instruct the Plan Administrator that you wish to have your distribution deposited directly into another plan or an IRA. In an indirect rollover, the Plan Administrator actually makes the distribution to you and you may rollover that distribution to an IRA or another qualified plan within 60 days after you receive the Plan distribution.

If you are eligible to directly rollover a distribution but choose not to, the Plan Administrator must withhold 20% of the taxable distribution for federal income tax withholding purposes. The Plan Administrator will provide you with the appropriate forms for choosing a direct rollover. For more information, see the "Special Tax Notice," which may be obtained from the Plan Administrator.

Certain benefit payments are not eligible for rollover and therefore will not be subject to 20% mandatory withholding. The types of benefit payments that are not "eligible rollover distributions" include:

- annuities paid over your lifetime,
- installments payments for a period of at least ten (10) years,
- minimum required distributions at age 70½
- hardship withdrawals, and
- Certain "corrective" distributions.

[Note: All of the above distribution options may not be available under this Plan.]

ARTICLE 9 PLAN ADMINISTRATION AND INVESTMENTS

Investment of Plan assets. You have the right to direct the investment of Plan assets held under the Plan on your behalf. The Plan Administrator will provide you with information on the amounts available for direction, the investment choices available to you, the frequency with which you can change your investment choices and other investment information. Periodically, you will receive a benefit statement that provides information on your account balance and your investment returns. If you have any questions about the investment of your Plan accounts, please contact the Plan Administrator or other Plan representative.

Although you have the opportunity to direct the investment of your benefits under the Plan, the Plan Administrator may decline to implement investment directives where it deems it is appropriate in fulfilling its role as a fiduciary under the Plan. The Plan Administrator may adopt rules and procedures to govern Participant investment elections and directions under the Plan.

Valuation Date. To determine your share of any gains or losses incurred as a result of the investment of Plan assets, the Plan is valued on a regular basis. For this purpose, the Plan is valued on a daily basis. Thus, you will receive an allocation of gains or losses under the Plan at the end of each business day during which the New York Stock Exchange is open.

Plan fees. There may be fees or expenses related to the administration of the Plan or associated with the investment of Plan assets that will affect the amount of your Plan benefits. Any fees related to the administration of the Plan or associated with the investment of Plan assets may be paid by the Plan or by the Employer. If the Employer does not pay Plan-related expenses, such fees or expenses will generally be allocated to the accounts of Participants either proportionally based on the value of account balances or as an equal dollar amount based on the number of participants in the Plan. If you direct the investment of your benefits under the Plan, you will be responsible for any investment-related fees incurred as a result of your investment decisions. Prior to making any investment, you should obtain and read all available information concerning that particular investment, including financial statements, prospectuses, and other available information.

In addition to general administration and investment fees that are charged to the Plan, you may be assessed fees directly associated with the administration of your account. For example, if you terminate employment, your account may be charged directly for the pro rata share of the Plan's administration expenses, regardless of whether the Employer pays some of these expenses for current Employees. Other fees that may be charged directly against your account include:

- Fees related to the processing of distributions upon termination of employment.
- Fees related to the processing of in-service distributions.
- Fees related to the processing of required minimum distributions at age 70½ (or termination of employment, if later).

ARTICLE 10 PARTICIPANT LOANS

The Plan does not permit Participants to take a loan from the Plan. To access Plan assets, you must be eligible to receive a distribution from the Plan, as described in Article 8 above.

ARTICLE 11
PLAN AMENDMENTS AND TERMINATION

Plan amendments. We have the authority to amend this Plan at any time. Any amendment, including the restatement of an existing Plan, may not decrease your vested benefit under the Plan, except to the extent permitted under the Internal Revenue Code, and may not reduce or eliminate any “protected benefits” (except as provided under the Internal Revenue Code or any regulation issued thereunder) determined immediately prior to the adoption or effective date of the amendment (whichever is later). However, we may amend the Plan to increase, decrease or eliminate benefits on a prospective basis.

Plan termination. Although we expect to maintain this Plan indefinitely, we have the ability to terminate the Plan at any time. For this purpose, termination includes a complete discontinuance of contributions under the Plan or a partial termination. If the Plan is terminated, all amounts credited to your account shall become 100% vested, regardless of the Plan’s current vesting schedule. In the event of the termination of the Plan, you are entitled to a distribution of your entire vested benefit. Such distribution shall be made directly to you or, at your direction, may be transferred directly to another qualified retirement plan or IRA. If you do not consent to a distribution of your benefit upon termination of the Plan, the Plan Administrator will transfer your vested benefit directly to an IRA that we will establish for your benefit. Except as permitted by Internal Revenue Service regulations, the termination of the Plan shall not result in any reduction of protected benefits.

A partial termination may occur if either a Plan amendment or severance from service excludes a group of employees who were previously covered by this Plan. Whether a partial termination has occurred will depend on the facts and circumstances of each case. If a partial termination occurs, only those Participants who cease participation due to the partial termination will become 100% vested. The Plan Administrator will advise you if a partial termination occurs and how such partial termination affects you as a Participant.
