

City of Dunedin, Florida
Class Description

Position Title: Senior Building Inspector
Community Development Department

GENERAL STATEMENT OF JOB

Under general supervision, conducts inspections of residential and commercial buildings under construction and/or existing buildings to ensure compliance with all applicable building, electrical, mechanical, gas and plumbing codes, ordinances, regulations and state statutes. Prepares and maintains required records and reports. Performs related work as directed. Reports to the Chief Building Inspector/Plans Examiner.

SPECIFIC DUTIES AND RESPONSIBILITIES

ESSENTIAL JOB FUNCTIONS

The duties recorded below are representative of the duties of the class and are not intended to cover all the duties performed by incumbents(s) of any particular position.

Inspects residential and commercial buildings during and after renovations or construction for building, electrical, plumbing, gas and/or mechanical code compliance as indicated by licensure; notifies owner or contractor of defects found and orders their correction.

May inspect mobile home and other temporary structure set-ups and tie-downs.

May enforce zoning setbacks and easements.

Examines blueprints and specifications for construction, renovations and alterations to ensure compliance with codes and ordinances.

Interprets Florida building, electrical, mechanical and plumbing codes to City personnel, professionals and the general public.

Maintains inspection records with accuracy; enters inspection results into computer.

Communicates with developers, contractors, architects, engineers and property owners to discuss projects and inspection results.

Prepares and issues notices of violation; presents cases to the Code Enforcement Board as required. Performs follow-up inspections and prepares affidavits of compliance as applicable.

**Senior Building Inspector
Community Development Department**

Attends classes, seminars, workshops, etc., to enhance job knowledge and skills as required for continuing education.

ADDITIONAL JOB FUNCTIONS

While the following tasks are necessary for the work of the unit, they are not an essential part of the purpose of this position and may also be performed by other unit members.

Performs routine office work as required, including but not limited to answering the telephone and returning messages, typing reports and correspondence, copying and filing documents, assisting customers at the counter, recording/retrieving data on computer, etc.

Performs related duties as required.

MINIMUM TRAINING AND EXPERIENCE

High school diploma or GED and five to seven years combined experience in the field of construction or a related field, inspection, or plans review.

Associate's degree in building construction or related field preferred.

An equivalent combination of training and experience which provides the required skills, knowledge and abilities may be considered.

SPECIAL REQUIREMENTS

Licensure by the Florida Building Code Administrators and Inspectors Board (BCAIB) as follows:

Requires two (2) or more standard inspector certifications, or the ability to obtain a provisional license in two (2) or more inspector categories.

Must possess a valid Florida driver's license.

Assignment to work a variety of work schedules including compulsory work periods in special, emergency, and/or disaster situations.

This position is Category B for the purposes of Dunedin Emergency Management. The incumbent may be required to be onsite/available as scheduled during times of emergency as declared by the City/County Commission or City Manager.

**Senior Building Inspector
Community Development Department**

PERFORMANCE INDICATORS

Knowledge of Job: Has thorough knowledge of the methods, procedures and policies of the City of Dunedin as they pertain to the performance of essential duties of the Senior Building Inspector. Is knowledgeable in the laws, ordinances, standards and regulations pertaining to the specific duties and responsibilities of the position. Understands specific City and county ordinances as they apply to the duties and responsibilities of the position. Is able to react professionally at all times, dealing with sensitive situations with tact and diplomacy. Clearly understands any occupational hazards and adheres to all safety precautions inherent in performing the essential functions of the work. Has the ability to speak and understand the English language

PERFORMANCE APTITUDES

Data Utilization: Requires the ability to review, classify, categorize, prioritize and /or analyze data and/or information. Includes exercising discretion in determining data classification, and in referencing such analysis to established standards for the purpose of recognizing actual or probable interactive effects and relationships. Is able to assemble and analyze information and make written reports and records in a concise, clear and effective manner.

Human Interaction: Requires the ability to provide guidance, assistance and/or interpretation to others on how to apply procedures and standards to specific situations. Is able to provide leadership and supervision as required. Knows how to maintain effective relationships with personnel of other departments, professionals and members of the public through contact and cooperation.

Equipment, Machinery, Tools and Materials Utilization: Has knowledge of and skill in the use of modern office equipment, including computers. Requires the ability to use, operate and/or handle equipment such as a computer, copier, calculator, telephone, hand tools, testing devices, drafting tools, etc. Is knowledgeable in the design, methods and materials of building construction and electrical, plumbing, gas and mechanical systems.

Verbal Aptitude: Requires the ability to use a variety of reference, descriptive, advisory and/or design data and information. Has knowledge of proper English usage, grammar, vocabulary and spelling.

Mathematical Aptitude: Requires the ability to perform moderately complex algebraic and geometric operations; ability to calculate surface areas, volumes, weights and measures. Has the mathematical ability to handle required calculations.

Functional Reasoning: Requires the ability to apply principles of rational systems. Ability to interpret instructions furnished in written, oral, diagrammatic or schedule form. Ability to exercise independent judgment to adopt or modify methods and standards to
