

City of Dunedin, Florida
Class Description

JOB TITLE: Craftworker I

Public Works & Utilities Department
Public Services Division – Facilities Maintenance Section

GENERAL STATEMENT OF JOB

Under general supervision, performs semi-skilled and skilled non-journeyman level work requiring general skills in construction, maintenance and/or repair of public municipal structures and properties. This position will be assigned to work a variety of work schedules, including compulsory work periods in special, emergency, and/or disaster situations. Reports to the Public Services Supervisor and/or Senior Foreman.

SPECIFIC DUTIES AND RESPONSIBILITIES

ESSENTIAL JOB FUNCTIONS

The duties recorded below are representative of the duties of the class and are not intended to cover all the duties performed by incumbents(s) of any particular position.

Performs semi-skilled construction, maintenance and/or repair work for various routine and special projects throughout the City.

Participates in the construction and/or renovation of City buildings, structures and properties.

Performs basic electrical, plumbing, and/or HVAC systems maintenance and repair work as needed.

Performs general carpentry work in construction projects, including erecting framing, installing drywall, installing wall coverings, installing flooring, installing appliances, installing and repairing doors, etc.

Paints buildings and other structures.

Maintains interior and exterior lighting.

May perform masonry work.

May perform demolition and salvage work.

Assists contractors as required in the completion of assigned projects. Sets up and/or tears down for Special Events.

Moves heavy furniture and fixtures as requested.

Performs maintenance and manual labor tasks in the event of an emergency or disaster, as necessary.

Requires participation in after-hours emergency on-call rotation.

Receives and responds to daily work orders; records work completed daily.

Receives purchase orders; picks up ordered materials.

Performs all duties in compliance with established policies, procedures, schedules, codes and standards of safety and quality.

Keeps Supervisor/Foreman informed of project status and of any problems or issues that require immediate attention.

Attends training seminars and meetings as required.

ADDITIONAL JOB FUNCTIONS

Assists other Craftworker's in their assigned duties.

Maintains a clean and orderly work / storage area.

Maintains assigned vehicle(s), tools and equipment.

Performs other related duties as required.

MINIMUM TRAINING AND EXPERIENCE

Requires a high school diploma or equivalent, or vocational/technical diploma in construction or related field with two years of experience in facilities maintenance or related field.

An equivalent combination of training and experience which provides the required skills, knowledge and abilities may be considered.

SPECIAL REQUIREMENTS

Must possess a valid Florida Class "B" CDL with Air-Brake endorsement or obtain within six months of appointment.

American Red Cross Heartsaver CPR/AED certification within 1 year of appointment.

This is a Category A position for the purposes of Emergency Management. Employees in this category may be assigned to work a variety of schedules, including compulsory work periods in special, emergency, and/or disaster situations. Category A employees are required to stay on premises during a declared state of emergency, or as otherwise mandated.

May require certification in forklift, scissor lift operations, and lock-out/tag-out.

PERFORMANCE INDICATORS

Knowledge of Job: Has thorough knowledge of the methods, procedures and policies of the City of Dunedin as they pertain to the performance of essential duties of the Craftworker I position. Clearly understands any occupational hazards and adheres to all safety precautions inherent in performing the essential functions of the work. Is skilled in applying responsible attention to detail as necessary in preparing simple records. Has the ability to learn and utilize new skills and information to improve job performance and efficiency. Has the ability to speak and understand the English language.

PERFORMANCE APTITUDES

Data Utilization: Requires the ability to arrange, compare, count, differentiate, measure and/or sort data and/or information. Includes judging whether readily observable functional, structural or compositional characteristics are similar to or divergent from prescribed standards, procedures or routines.

Human Interaction: Requires the ability to provide guidance, assistance and/or interpretation to others on how to apply procedures and standards to specific situations. Knows how to perform duties in a courteous manner and with the utmost integrity in the best interest of the public.

Equipment, Machinery, Tools and Materials Utilization: Requires the ability to use, operate and/or handle a variety of maintenance equipment and tools, which may include a forklift, truck, carpentry tools, electrician's tools, plumbing tools, mechanic's tools, other hand and power tools. Has knowledge of the practices, equipment, tools and materials of facilities maintenance, construction and repair work, including electrical, plumbing, carpentry/construction, and HVAC maintenance work.
