Other Important Resources

Oil/Chemical Spills

As required by federal law,
report any oil or chemical spill
to the National Response
Center at 800-424-8802.

Marine Life Related

Report sick or injured marine
life to Florida Fish and
Wildlife Conservation
Commission at 888-404-3922
(FWCC).

From Marina Staff

Thank you to all of you who attended and participated in the 2022 Boat Parade. The weather was perfect and the event was enjoyed by many. As we wish 2022 farewell, we are confident that 2023 will bring more beautiful weather and an abundance of sunshine our way. We are happy to have you in the Marina!

Safety

- **Gate security is lost** once the codes are given out. Locked gates are for security of all persons and vessels, so please do not share the codes. Please meet guests at the gate for access and do not let others follow you through unless you know them.
- **Shore power cords** should be inspected regularly and replaced when necessary. Cords that are altered from their original manufactured configuration are not permitted. Household extension cords are not approved for marine use and will be disconnected by marina staff. Please visit www.marinco.com for further information regarding marine grade shore power cords.

Helpful Links

Online Payments

- Payment can be made each month at <https://ipn.paymentus.com/cp/dun3>. Please have your monthly statement at hand when using this payment method. Your account number must be entered with a dash (ex: 1234-5678).

Marina Advisory Committee

- Meetings are regularly scheduled on the third Monday of the month. Meeting information can be found at <https://www.dunedingov.com/city-departments/government-calendar>
- **Dunedin Marina Website**
Please be sure to visit our webpage at www.DunedinGov.com/Marina for useful tips and important information.

Marina Updates

- **Maintenance** is ongoing throughout the year. Please report any issues you may see to the office so that we can get it taken care of as quickly as possible.
- **Insurance declaration pages** must be provided to the office each year upon renewal. Lapses in insurance are not permitted.
- **Bilge socks** are available in the marina office if you need a couple while performing vessel maintenance.
- **Expired flares** may be brought to the Harbormaster's office for disposal.
- **Marina fire extinguishers** are inspected each year at this time. We encourage vessel owners to check theirs at this time as well.
- **North wall water lines** have been replaced.
- **Abandoned vessel removal:** We are experiencing delays in removing damaged/abandoned vessels due to the large volume of Florida vessels needing to be hauled away. Please continue to use caution while navigating.
- **Manatees** have been frequent visitors in the marina, so keep a close eye out for them as you come and go from your slips. Many people are unaware that it is illegal to touch, feed or provide them with water from hoses. This encourages them to look to humans for food and water, putting them in further danger of being injured by propellers.

Important Dates

- You are all invited to attend and celebrate the life of **Wayland Monteith** at Edgewater Park on Saturday, January 14th from 4-6pm
- Saturday, February 11th 10am-5pm at Edgewater Park, [Hope Spot Festival](#) (open link for more information)
