The boater shall assume responsibility for the care, maintenance, custody, and control of their vessel and for the actions and safety of family members as well as any guests at the marina at all times. The boater must provide any equipment necessary for docking (lines, cords, etc.) as they are not provided by the marina. Any equipment located in the slip (lines, cords, etc.) is privately owned and **not for use by transient slip renters**. The boater hereby waives and releases the City of Dunedin from any liability that might arise because of loss of life, bodily injury, property loss or property damage which may occur to the boater, the boater's family and guests, or property thereof arising from the Boater's use or occupancy of the slip assigned hereunder during the term of this agreement. All boaters agree to abide by the Dunedin Marina Rules and Regulations which are available on our website www.DunedinGov.com/marina, or by visiting the Harbormaster's Office.
