PERFORMANCE INDICATORS

Knowledge of Job: Has thorough knowledge of the methods, procedures and policies of the City of Dunedin as they pertain to the performance of essential duties of the Public Works & Utilities Inspector. Is knowledgeable in the laws, ordinances, standards and regulations pertaining to the specific duties and responsibilities of the position. Understands specific City and County ordinances as they apply to the duties and responsibilities of the position. Has knowledge of the principles, theories, practices and methodologies of construction, engineering, surveying and other fields applicable to the requirements of the position. Has the ability to speak and understand the English language. Is able to take the initiative to complete the duties of the position without the need of direct supervision. Has the ability to plan, organize and prioritize daily assignments and work activities. Clearly understands any occupational hazards and adheres to all safety precautions inherent in performing the essential functions of the work.

PERFORMANCE APTITUDES

Data Utilization: Requires the ability to evaluate, audit, deduce and/or assess data and/or information using established criteria. Includes exercising discretion in determining actual or probable consequences, and in referencing such evaluation to identify and select alternatives.

Human Interaction: Requires the ability to provide guidance, assistance and/or interpretation to others on how to apply procedures and standards to specific situations. Knows how to maintain effective relationships with personnel of other departments, professionals and members of the public through contact and cooperation. Is able to react professionally at all times, dealing with sensitive situations with tact and diplomacy.

Public Works & Utilities Inspector, Public Works & Utilities Department

Equipment, Machinery, Tools and Materials Utilization: Requires the ability to use, operate and/or handle equipment such as a computer, copier, calculator, telephone, surveying instruments, drafting instruments, measuring and testing devices. Has knowledge of and skill in the use of modern office equipment, including computers. Has knowledge of the use and care of required equipment and tools.

Verbal Aptitude: Requires the ability to use a wide variety of reference, descriptive, advisory and/or design data and information. Has knowledge of proper English usage, grammar, vocabulary and spelling. Is able to read and interpret complex materials pertaining to the responsibilities of the job.

Mathematical Aptitude: Requires the ability to perform addition, subtraction, multiplication and division; to calculate decimals and percentages; to perform mathematical operations using basic algebraic and geometric operations; to calculate surface areas, volumes, weights and measures.

Functional Reasoning: Requires the ability to apply principles of rational systems. Ability to interpret instructions furnished in written, oral, diagrammatic or schedule form. Ability to exercise independent judgment to adopt or modify methods and standards to meet variations in assigned objectives. Is able to conduct comprehensive inspections, to determine problem areas and recommend corrective measures.

Situational Reasoning: Requires the ability to exercise the judgment, decisiveness and creativity required in situations involving the evaluation of information against measurable or verifiable criteria. Is able to assemble and analyze information and make written reports and records in a concise, clear and effective manner.

ADA COMPLIANCE

Physical Ability: Field work requires the ability to exert moderate, though not constant physical effort, typically involving some combination of climbing, balancing, stooping, kneeling, crouching and crawling, and which may involve some lifting, carrying, pushing and/or pulling of objects and materials of moderate weight (12-20 pounds). Field work is likely to require ambulatory access onto undeveloped properties and active construction sites. Office tasks involve the ability to exert a small amount of physical effort in sedentary to light work involving moving from one area of the office to another; some positions require sufficient hand/eye coordination to perform semi-skilled repetitive movements, such as data entry, drafting, filing and/or the use of office equipment or supplies.

Public Works & Utilities Inspector, Public Works & Utilities Department

Sensory Requirements: Some tasks require visual and auditory perception and discrimination as well as oral communications ability.

Environmental Factors: Office tasks are regularly performed without exposure to adverse environmental conditions; field work may require exposure to adverse weather conditions, temperature extremes, wetness/humidity, machinery and traffic hazards, smoke/dust/pollen, and noise extremes. Tasks may require extensive VDT exposure.

The City of Dunedin is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, the employer will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective and current employees to discuss potential accommodations with the employer.
