City of Dunedin, Florida
Class Description

JOB TITLE: Craftsworker III
Public Works & Utilities Department
Public Services Division – Facilities Maintenance Section

GENERAL STATEMENT OF JOB

Under general supervision, performs semi-skilled and skilled work at the apprenticeship level in the maintenance, repair, of the City’s heating, ventilating and air conditioning (HVAC) systems. This position exercises independent judgment and makes decisions regarding complex repair work procedures. Supervision may be exercised over one or more employees on a project basis. Reports to the Public Services Supervisor and/or Facilities Senior Foreman.

This position includes compulsory work periods in special event, on-call rotation, call-back, emergency, and/or disaster situations.

SPECIFIC DUTIES AND RESPONSIBILITIES

ESSENTIAL JOB FUNCTIONS

The duties recorded below are representative of the duties of the class and are not intended to cover all the duties performed by incumbents(s) of any particular position.

Performs semi-skilled and skilled construction, maintenance and/or repair work for various routine and special projects throughout the City.

Participates in the construction and/or renovation of City buildings, structures and properties.

Performs specialized work in one or more of the following areas: commercial electrical, plumbing, masonry and/or HVAC systems. Work involves installation, maintenance, renovation, diagnostic and repair work as needed.

Keeps supervisor informed of project status and of any problems or issues that require immediate attention.

Performs all duties in compliance with established policies, procedures, schedules, codes and standards of safety and quality.

Attends training seminars and meetings as required.
Craftworker III (HVAC)
Public Works & Utilities Department

ADDITIONAL JOB FUNCTIONS

May perform general carpentry and/or masonry work in construction projects, including erecting framing, installing drywall, finishing trim and doors, painting, installing flooring, and/or appliances, etc.

Maintain interior and exterior lighting. Inspect, test, troubleshoot generators, fire extinguishers, air conditioner filters, life-safety equipment, etc.

Assist contractors as required in the completion of assigned projects. May perform demolition and salvage work.

Set up and/or tear down for special events.

Perform maintenance and manual labor tasks in the event of an emergency or disaster, as necessary.

Receive and respond to daily work orders; record completed work daily. Pick up ordered materials.

Maintain a clean and orderly work/storage area.

Maintains assigned vehicle(s), tools and equipment.

Performs other related duties as required.

MINIMUM TRAINING AND EXPERIENCE

Requires a high school diploma or equivalent, and a least three (3) years of verifiable facilities maintenance experience; completion of two (2) years of vocational training and certification in HVAC is preferred. If no applicants possess the preferred training/HVAC certification, completion of a Pinellas County contractor licensing board (PCCLB) approved HVAC apprenticeship course will be required of the candidate chosen for this position. This training will be funded by the City of Dunedin Facilities Maintenance section.

SPECIAL REQUIREMENTS

Must possess an Intermediate M.O.T and bucket truck certification, or obtain within six months of hire.

First Aid/CPR certification is required.

May require certification in forklift, scissor lift operations, and lock-out/tag-out.
Craftsworker III (HVAC)
Public Works & Utilities Department

PERFORMANCE INDICATORS

Knowledge of Job: Has thorough knowledge of the methods, procedures and policies of the City of Dunedin as they pertain to the performance of essential duties of the Craftsworker III. Clearly understands any occupational hazards and adheres to all safety precautions inherent in performing the essential functions of the work. Is skilled in applying the attention to detail necessary for accurately preparing simple records. Has the ability to learn and utilize new skills and information to improve job performance and efficiency. Has the ability to speak, write and understand the English language.

PERFORMANCE APTITUDES
