

The City of Dunedin's Committee on Environmental Quality presents:

Residential Solar Power

What it is; How it works; and How to get started

- How a rooftop solar power system works
- The financial and environmental benefits
- Why NOW is the best time to “go solar”
- How to get the process started

Location: Dunedin Public Library, 223 Douglas Ave

Date: Saturday, November 23rd

Time: 10:00 – 11:30 AM

****Please bring a power bill to follow along***

For further information please contact Natalie Henley at 727-298-3215
