

Florida Department of Environmental Protection's
Clean Marina Program &
The Clean Boating Partnership

announce the designation of
Dunedin Municipal Marina
as a *Clean Marina*

Dunedin Municipal Marina is the 162nd *Clean Marina* in the state, 28th in the Southwest District and 17th in Pinellas County. It adds 180 wet slips to the *Clean Marina* community.

Congratulations to William Frantz, Harbormaster and his staff at Dunedin Municipal Marina for their hard work in obtaining this designation. Special thanks to the review team of: Judy Ashton, DEP *Clean Marina* Coordinator; Earl E. Quinn, Pinellas County Environmental Management and Clean Boating Partnership; Peter Krulder, DEP Parks and Recreation; William L. Vorstadt, DEP Assistant Director of District Management; and Mike Downs, DEP Watershed and Resource Management.
