INSTRUCTIONS FOR CAMPAIGN TREASURER'S REPORT – ITEMIZED CONTRIBUTIONS

- (1) Candidate's full name or name of the political committee (PC), electioneering communications organizations (ECO) or party executive committee (PTY).
- (2) The identification number assigned by the filing officer.
- (3) Cover period dates (e.g., 1/1/15 through 1/31/15). (See filing officer's reporting dates calendar for appropriate year and cover periods.)
- (4) Page numbers (e.g., 1 of 3).
- (5) Date contribution was RECEIVED (Month/Day/Year).
- (6) **Sequence Number** – Each detail line shall have a sequence number assigned to it. Sequence numbers are to be assigned within each reporting period and for each type of detail line. Thus the report type, detail line type, and sequence number will combine to uniquely identify a specific contribution, expenditure, distribution or fund transfer. This method of unique identification is required for responding to requests from the filing officer and for reporting amendments.
 For example, a M1 report having 75 contributions would use sequence numbers 1 through 75. The next report (M2), comprised of 40 contributions would use sequence numbers 1 through 40. Contributions on amended M1 reports would begin with sequence number 76 and on amended M2 reports would begin with sequence number 41. See the *Amendment Type* instructions below.
- (7) Type full name and address of contributor (including city, state and zip code).
- (8) Enter the type of contributor using one of the following codes:
 Occupation of contributor for **contributions over \$100 only**. (If a business, please indicate nature of business.)

I	Individual	
B	Business	(also includes corporations, organizations, groups, etc.)
E	Electioneering Communications Organizations	
F	Political Committee	(federal or state)
P	Political Parties	(includes federal, state and county executive committees)
O	Other	(e.g., candidate surplus funds to party, etc.)
S	Candidate to Self	

- (9) Enter Contribution Type using one of the following codes:
NOTE: Cash includes cash and cashier's checks.

Code	Description
CAS	Cash or Cashier's Check
CHE	Check
COF	Carryover Funds from Previous Campaign
INK	In-Kind
INT	Interest
LOA	Loan
MO	Money Order
MUC	Multiple Uniform Contributions
RCT	Other Receipts
REF	Refund (Negative Amount Only)

- (10) Type the description of any in-kind contribution received.
Candidate's Only – If in-kind contribution is from a party executive committee and is allocable toward the contribution limits, type an "A" in this box. If contribution is not allocable, type an "N".
- (11) **Amendment Type** (required on amended reports) – To add a new (previously unreported) contribution for the reporting period being amended, enter "ADD" in amendment type on a line with ALL of the required data.
The sequence number for contributions with amendment type "ADD" will start at one plus the number of contributions in the original report. For example, amending an original M1 report that had 75 contributions means the sequence number of the first contribution having amendment type "ADD" will be 76; the second "ADD" contribution would be 77, etc. When amending an original M2 report that had 40 contributions, the sixth "ADD" contribution would have sequence number 46.
To correct a previously submitted contribution use the following drop/add procedure. Enter "DEL" in amendment type on a line with the sequence number of the contribution to be corrected. In combination with the report number being amended, this sequence number will identify the contribution to be dropped from your active records. On the next line enter "ADD" in amendment type and ALL of the required data with the necessary corrections thus replacing the dropped data. Assign the sequence number as described above.
- (12) Type amount of contribution received. **Political Committees ONLY**: Multiple uniform contributions from the same person, aggregating NMT \$250 per calendar year, collected by an organization that is the affiliated sponsor of a PC, may be reported by the PC in an aggregate amount listing the number of contributors together with the amount contributed by each and the total amount contributed during the reporting period. The identity of each person making such uniform contribution must be reported to the filing officer by July 1 of each calendar year, or, in a general election year, NLT the 60th day immediately preceding the primary election.
